Open Ended Questions (FRQ)

- Q9.** A violin string is 3456 inches long. Write this number in expanded form and round it to the nearest hundred. Show your work.
- Q10.** A song has a rhythm pattern with 4567 beats. Write this number in standard form and identify the value of each digit. Show your work.

Chef's Tips

- Please ensure students show their work for all problems.
- Use a ruler to draw diagrams if necessary.
- Check for accuracy and completeness.
