

Unit: Unit 0: Foundations of Algebra
Topic: Rational Numbers Decimals

Name: _____

Date: _____

Foundation (Jalapeno)

Open Ended Questions (FRQ)

Q9. Plot the points $\frac{1}{2}$, $\frac{3}{4}$, and 0.9 on a number line and label them. Show your work.

Q10. A swimmer completes $\frac{3}{4}$ of a lap in 1.2 minutes. What is the time to complete one full lap? Show your steps and calculations.

Chef's Tips

- Check calculations carefully
- Ensure proper fraction and decimal conversions
- Watch for unit conversions in word problems
