

Advanced (Carolina Reaper)**Open Ended Questions (FRQ)**

Q9. A school is planning a field trip to a museum. The bus rental costs

150

plus

5

per student. The museum admission costs

8

per student. If the school has

500

available for the field trip, and there are 30 students going, how much money will they have left over after paying for the bus rental and museum admission? Show your work and explain your answer.

Q10. A book publisher produces two types of books, hardcover and paperback. The cost to produce a hardcover book is

10

and the cost to produce a paperback book is

5

. The publisher sells the hardcover books for

20

and the paperback books for

10

. If the publisher produces 200 hardcover books and 300 paperback books, what is the total profit? Show your work and explain your answer.

Chef's Tips

- Read each question carefully before answering.
- Use the space provided to show your work for the free response questions.
- Make sure to answer all parts of each question.
